El Cerrito, CA 94530

OFFICE NEWS

We would like to welcome our new dental intern Kevin to our office! He is a recent graduate from UC Berkeley and is excited to meet everyone and learn more about dentistry. In his free time, he enjoys playing tennis, running, and playing board games with his buddies.

POSTCARD CONTEST

Summer is ending and school is almost here! It's not too late to send in your postcards! Wherever you go this summer, we want to know about it. We invite you to send Dr. Nick a postcard by August 26th to be entered to win one of our grand prizes. We take handmade postcards as well, and all participants will receive a prize. We look forward to seeing everyone's wonderful postcards! For more information about the contest, you can visit www.kidsteethdoctor.com.

COMMUNITY OUTREACH

July 4th World One Festival

This year's annual July 4th World One Festival was held at Cerrito Vista Park. John, Dr. Nick and his friend, the tooth fairy, had so much fun handing out balloons, greeting some familiar faces, and meeting new friends!

Relay for Life

Dr. Nick and his friends participated in the 7th annual Relay for Life El Cerrito at the Cerrito Vista Park on July 16 - 17 to celebrate hope, fight cancer, and honor cancer survivors. We had a great time supporting by walking and fundraising for the 24 hour event. Children's Dentistry won the best "fight back message" at the event for providing information about oral cancer and importance of oral health during cancer treatment. We are honored and feel blessed to be able to support and stand strong with the community we serve.

SHARE A SMILE

If you had a great experience with us, please tell your friends! We are always accepting new patients and would love to take care of them. Please ask a staff member for a "Share a Smile" card to refer a friend or family member.
