OFFICE EVENT

NATIONAL CHILDREN'S DENTAL HEALTH MONTH

All throughout February, we celebrated National Children's Dental Health Month! Our staff and the tooth fairy visited over 300 preschool students for an educational and fun presentation on dental health! Thank you for the support and allowing us to continue to provide this wonderful program for our community.

We had so much fun at the Habitot Children's Museum on Friday, February 12! We greeted families at the door and helped answer any questions parents had about their kid's dental health. Kids were able to decorate an awesome giant toothbrush in the art studio and had so much fun meeting the tooth fairy! Keep an eye out for our upcoming events to meet the tooth fairy on our website and Facebook!
